"TIME IN A BOTTLE"

If I could save time in a bottle
The first thing that I'd like to do
Is to save every day
'Til Eternity passes away
Just to spend them with you.

If I could make days last forever
If words could make wishes come true
I'd save every day like a treasure and then,
Again, I would spend them with you

But there never seems to be enough time
To do the things you want to do
Once you find them
I've looked around enough to know
That you're the one I want to go
Through time with

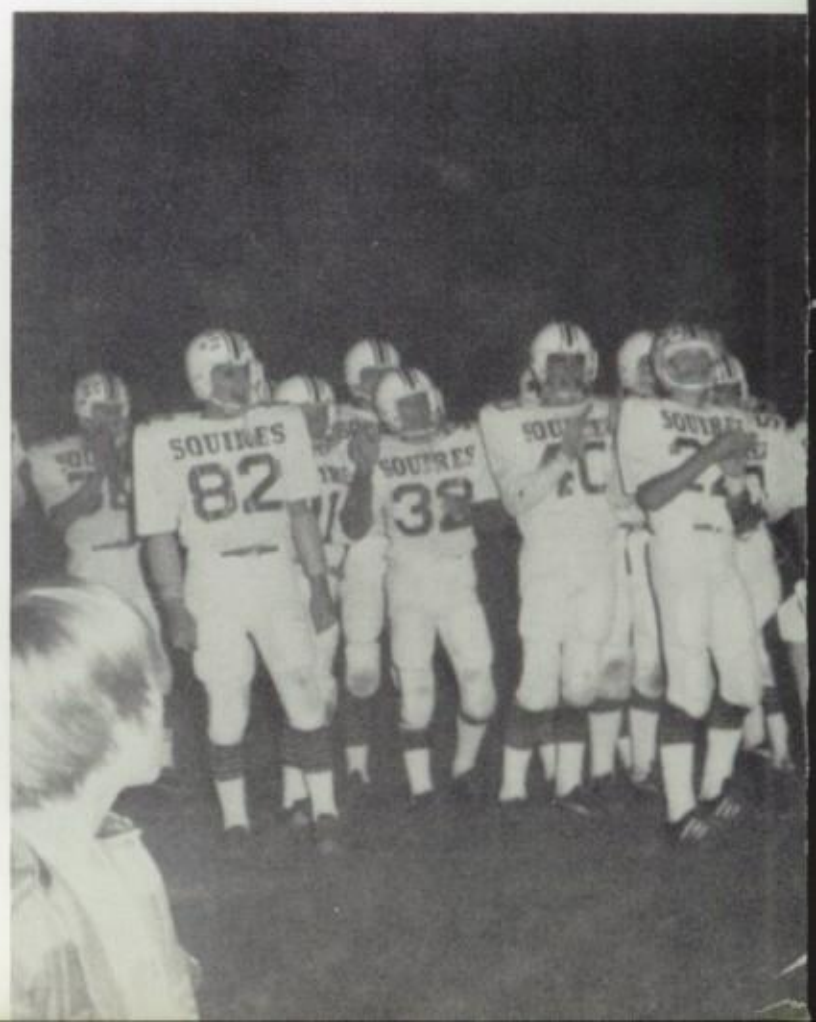
Homecoming 75 Victory

Homecoming 1974 was considered one of the best in the school's history. It didn't rain, spirit was high, and the Squires chalked up a first — beating the Bremen Lions 6-0. Brian Wagner and Dawn Lahr were crowned King and Queen. Built around the theme — The Good Ole Days — the Sophomores and Seniors tied for top honors in float construction. The Spanish Club captured the first place trophy in the club float competition. A dance in the gym, featuring "Bully" rounded out the Homecoming activities for another year.

1973 Queen Sheila Wagner crowning Dawn Lahr, this year's Homecoming Queen. Below Left The Senior float that tied for first with the Sophomore float (below) for class float honors.

Below Homecoming King candidates Tim Garner, Dan Burgess, Dan Hoffman, Jeff Hire.



Escorts John Fahs, Jeff Hire, Tim Airgood, Brent McDonald, Mitch Schutz, Scott Eberly, Brian Wagner, Jerry Pottenger, Don Hunter, Chris Brown, Byron Kauffman, Mont Spitler, Steve Naragon. Queen Candidates Miriam Lewis, Becky Heagy, Tina Blocher, Judy Johnson, Susan Reed. Queen's Court — Joyce Walters, Gina Conrad, Queen Dawn Lahr, Tammy Miller, and Lorie Hileman. Julie Albert, Mary Fedewa. Below Left Winning Club Float — Spanish Club.

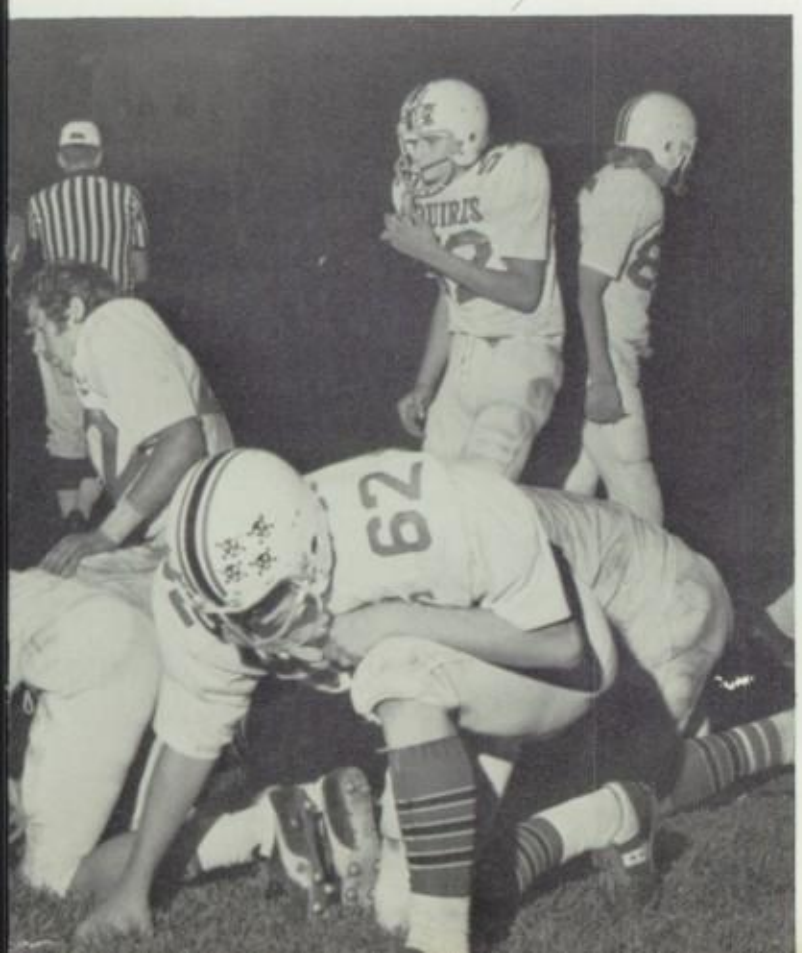
Victory Is the Score in '74

"The 1974 Squires produced the first winning season since 1969. In the accomplishment they had several firsts. Perhaps one of the biggest was the defeat of "Undefeated Rochester" by the score of 28-26. They beat Bremen for the first time in the history of the school. They finished the conference with a 4-3 record, which was the first time a Squire football team had accomplished this feat. They were able to shut out three opponents this year, Whitko, Bremen, and Northfield. They were undefeated, (5-0), at home, which is a big first for Squire football. Congratulations to the seniors. You have left a tremendous challenge to the underclassmen, which they will accept." Coach Benton from Squire Football 1974 "Highlights"

Along with the winning season Manchester had eight men place on the NLC all-Conference teams. They were Seniors, Brian Baker, HM off. and 2nd team def., he was also selected HM All-State Defense, Dan Brugess HM def., Dan Hoffman 2nd team def., Doug Haynes 2nd team off., Kent Mishler HM off. and HM def., and Tim Taylor 2nd team off. Junior All-Conference selections were Dave Burgess 2nd team def. and Joel Ogden HM off. Good job footballers.



Football captains Dan and Dave Burgess.

The MHS junior varsity had one win and seven losses this year. Thining the ranks was the all out effort for a successful varsity season which was accomplished. Because there weren't enough freshmen to make up a freshmen team, many had never played high school football before and consequently the combination of inexperience and small quantity contributed to the poor season. Hopefully a lot was learned that will be used to put together another winning varsity team.

Manchester Invitational

In the Closed Division, Manchester placed 3rd, and West Noble was the team champion. Randy Sparrow finished 10th, Kris Airgood — 13th , Mike Clapp — 14th, Dave Kelsey — 28th, and Steve Aughinbaugh — 49th. In the Open Division, Hammond High was the team champion with their first two runners tying for first in a record shattering time of 11:49.5.

The 1974 MHS Cross Country team was the youngest C.C. team ever, consisting of 17 runners — 7 Freshmen, 4 Sophomores, 6 Juniors, and 1 Senior. Juniors Kris Airgood, Mike Clapp, and Randy Sparrow captured most of the Squire victories. Rounding out the first five were Dave Kelsey and Mark Barnholt.

Each C.C. runner realizes that mental preparation is just as significant as physical preparation. The individual's attitude toward the sport is the determining factor as to whether he wishes to make C.C. a "gut-aching two and a half mile run" or "just plain fun".

Practices began in early July and continued until the season ended. During the month of August, the Cross Country team traveled to Michigan, where they spent 10 days camping, swimming, and distance-running. Early morning workouts during the summer produced favorable results to the team as well as to each runner throughout the competitive season.

Because of this young team's improved running skill, Coach Miller is confident that the Squire C.C. team will travel to State in the very near future. Certainly, 1974 has been a good year for the Squires, but the best is yet to come.

MHS Tennis Turns It Around

The 1974 Manchester High School varsity tennis team recorded the first winning season since 1970. This year's squad compiled a record of 7 wins and 6 loses. The NLC provided our stiffest competition as we only won 3 of 7 contests, good for 5th place.

Seven young men received varsity letters in tennis this fall. The number one position was held by the only junior on the squad, John Hoffman. His best performance came in the Manchester Invit. where he earned a second place finish. Senior Tim Garner played at the number two slot. He was selected as the MVP and the most improved player for 1974. Sophomore Wally Keim, in his first year of tennis, had the best individual record in his number three position. Senior Jeff White played number four and gained a second in the Manchester Invit. Senior Scott Leffel and Sophomore Bruce Farringer alternated at the number five and six positions. Scott was selected as honorary captain by his teammates. Bruce and number seven, sophomore John Fahs, teamed up to form the number two doubles in the sectional. The sectional this year was a team event as no individuals advanced but only teams. Manchester nearly missed advancing to the semi-finals by losing to Culver Military 3-2. The Squires in improving their record from 0-10 in 1973 to 7-6 in 1974 has to list this as their major accomplishment.

Manchester Squires Basketball

Coach Larry Bilger

There was a renewed feeling during the MHS Basketball season this year. A winning feeling due to a new coach and his winning ways. Although some rough times were encountered during the four-way tourney and the sectional final, there were some very happy times such as, defeating, in a come from behind surge, state-ranked Tippecanoe Valley and Tim Olinger's record breaking 34 points against Southwood.

In compiling a 10-12 season Coach Bilger instilled the desire and enthusiasm, that should make next year's teams equally as successful.

North Manchester finally took notice of the GAA basketball teams this year. The parents and students backed the teams very enthusiastically both at home and away. The boys organized a cheerblock which lasted for 2 games.

The Varsity consisted of juniors and seniors. The team was led by Nancy Hoover in scoring and rebounding and Pam Brookins is assists. Coach Myer and the team reached their goal of the season by beating undefeated Southwood in the afternoon game of our 4-way tourney and defeating Northfield in the finals. The season ended with a 10-5 record, 2 free meals and hopes for a better team next season.

Consisting of freshman and sophomores, the J.V. suffered only one defeat, at the hands of Bishop Dwenger. The team was led by Karen Reed and Joyce Rhoades. With the experience gained this year, the girls basketball program at MHS should keep expanding and improving.

State Runner-Up

Doug Haynes, Manchester High School's Most Valuable Wrestler, complied a 26-1 record. The one defeat was in the State finals at South Port High School. Mr. Doug had pins, won the NLC, Sectional, Regional, Manchester and New Haven Invitationals. Manchester's Wrestling success didn't stop there.

The team finished with a 6-4-1 record. They placed at the Manchester invite, 2nd at the New Haven Invite, 2nd at the Sectional, 3rd in the NLC, and 3rd in the Regional. Seven men advanced from the sectional to the regional, of these Joe Jarrett, Steve Aughinbaugh, Craig McBride and Doug Haynes finished 4th, 3rd, 2nd and 1st respectively.

The 75-76 season looks to be promising with nine returning lettermen. The wrestlers would also like to thank the Mat Maids for a fantastic job, again this year.

Manchester High School can chalk up another team that had a .500 or better season. The Baseball Squires finished the season with a 17-15 record. Although the team lost its No. 1 hurler in Mitch Overmyer due to graduation, Scott Martin and Jack Rupley proved they were ready and able to take over. Scott ended with a 12-6 record and an excellent ERA of 1.65. Jack was 4-7 with an ERA of 2.76. Scott was a sophomore and Jack a senior. Leading in the hitting department were Seniors Tim Garner batting .337 with 24 RBI's and Bill Roth batting .300 with 15 RBI's, Dan Burgess added 19 RBI's while batting .236 and Jack Rupley had 9 RBI's and batted .279. The season was successful but ended by Coach Merritt announcing his departure from the coaching ranks. Because of the high caliber of quality baseball that MHS plays, next year's team, as is always the case, a hard act to follow.

Girls' Track at MHS came alive this year. Nine school records were set in the course of the season. Six girls qualified for the Sectional. They were Ellen Anson, Cristi Woods, Cheryl Rennaker, Janis Fahs, Deb Williams and Jane Jarrett. Janis Fahs went on to the regional and was chosen as the Most Valuable and Honorary Captain. The underclassmen dominated team should put together another successful season next year.

MHS sports continued their winning ways as the track team completed another successful season by compiling eleven wins and only three losses. Winning the Tippecanoe Viking Relays was one of the year's highlights but the biggest win was the County Championship at Southwood. The Manchester Cindermen also sent more participants to the IHSAA Sectional than ever before and five advanced to the Regionals. Some of the year's numerous outstanding performances were Dave Burgess' record breaking 163' in the discus.

Cheering Us on In

Victory and Defeat

"Cheerleading is a lot of things to me. It's trying to work up enough yells before the season begins. It's discovering at the first game that you've forgotten your tights. It's messing up a cheer right in front of two million people. It's staying up late working on posters for the big game. It's splitting your jeans at practice. Most of all, it's Wendy, Dawn, Judy, Deb and Miss Schultz."

KEY CLUB

Key Club has had an interesting year. We were involved in a few things such as helping the Kiwanis make apple butter, having two very good dances, featuring Sea Dream. Our Convention is going to be held in Indianapolis on April 11 and 12. We will be staying at the Airport Hilton.

We are starting a new policy this year. Members will be voting for an outstanding member award. Some qualifications are your attendance at Kiwanis, Circle K, and our own Key Club meetings, participation in dances and other club relate projects.

This year's officers were: Pres. Scott Leffel, Vice Pres. Todd (Orville) Moody, and Sec.-Treas. Jerry Sutton. That about wraps it up for the year of 1974-1975, if you want a real thrill join Key Club next year.

FBLA

There are 65 members in the club this year. The officers are Brian Baker, President, Dave Brace, Vice President, Deb Heagy, Reporter, Susan Walters, Treasurer, Tammy Rager, Secretary. To start out the year we have initiation night. That is when new members are considered part of FBLA. We try to have a meeting every month. One meeting we had Don Clark come in and talk to us about Chamber of Commerce. We took trip to Ft. Wayne for a day. We went to Mutual Security Life Insurance and the City County Building. This year the officers were honored to go the Concordia High School in Ft. Wayne to initiate their officers so they can start up their own club. FBLA holds their annual meeting at Ball State. They have a lot of activities to get involved in spelling contests, discussion, Mrs. and Mr. FBLA, Talent shows and competition and different events.

The President of the Student Council, as has become tradition, welcomed students back to school with the idea that the S. C. can be what students make it. On that thought the Student Council sponsored Homecoming activities and the Christmas dance.

After the 1st semester the Council decided to rewrite the constitution, and participated in the Shamrocks for Dystrophy National Collection drive. Mini-courses were held the afternoons of April 23 and 24 were enjoyed and considered a great success.

With student and administrative support next year sould be equally a success.

National Honor Society held its induction ceremony last fall on an October evening. The theme was a medievel tone, with Sir Scholarship, Sir Leadership, Sir Service, and Sir Character, briefly explaining the qualities that NHS members portray. Dr. Paul Keller was the quest speaker. Mrs. Ringenberg and her girls cooperated as they have done in the past inductions and served refreshments. NHS this year and as it will continue to, fulfills its purpose of honoring those who have excelled.

The Crest is the organization, if you haven't figured out that puts this year book together. Working on the Crest is a challenge in its self and very few people realize all the work that goes into a year book. With the help of Mr. E.K. Jones, sponsor. Mr. Arthur, year book rep., Mr. Werking and Kathy, head photographer and Joyce Walters, Tim Garner, Susie Friden, Steph Spiecher, and many others this year 1975 Crest was put together.

Being a member of the A-V Club is lots of fun. We take one trip a year and this year it will be to either Indiana University or Purdue University. A-V Club sponsors movies and dances. We also make money by cleaning up after games. Our sponsors are Doris Snell and Leon Ridenour. A-V also vido tapes athletic events, and handles lighting an sound for stage productions during the school year. This year we bought A-V Crew shirts with our names on them. The A-V room is probably the smallest room in the school and also the most used. We are now sponsoring the MHS morning radio show. The A-V Club is self-supporting and this year bought supplies to convert old sound equipment to a new communication system from the director to the backstage crew to be used during stage productions.

For the 1974-75 Science Club there were many firsts. Due to the increase in membership many new activities were possible. One such activity was the Science Club float which captured a second in the Homecoming parade. The weather station "Weather-Or-Not" was another new feature of the club. "Weather-Or-Not" consisted of members collecting, recording, and reporting weather data. "Stargazing", Science Fair, field trips, and guest speakers were just a few more highlights of the club. Mr. Underwood and Mr. Myer were the club sponsors.

FCA

The 1974-75 year was a bright year for the Fellowship of Christian Athletes. FCA was involved in the organization of a county wide huddle, and participated in a Fellowship meeting at Wawasee. Some members went to the National Conference in the summer. FCA is a new club with a bright future.

The Spanish Club has had a busy and successful year. President Pat Bishop, Vice President Mario Quintana, Secretary-Treasurer Carol Annen, and News-Reporter Lisa Harshbarger led the club in selecting a winning float for Homecoming. The first initation for new members was held in October, with all the typical stunts. The big event of the year was the annual Christmas banquet featuring songs and charades.

This past fall French Club made a banner for the Homecoming parade. Also we helped with the overall Christmas decorations of the school by painting our windows with several Christmas scenes and French sayings. At our meetings we listened to Mark Reiff tell of his European travels and heard Huckleberry Finn en français. We have plans for a trip to Fort Wayne for a dîner à le Café de Johnell.

'Keep on Talkin'

The Manchester High School Speech team had another victorious year. They won seven speech meets, placed well in the others and altogether had an outstanding show at the post season tournaments. Dave McFadden, after winning regionals, placed fourth in the state meet in Discussion. Mark Rife placed sixth in the State meet after placing second at the regional in Impromptu. Pat Bishop was fourth in Drama and Jeff Ramseier fifth in Original at the District level. Several people placed in the top three at the Central Indiana Forensics meet to earn their place on the All-Conference teams.

Another honor coming to the team this year was the National Forensics league "Leading Chapter" award. The award is not for outstanding performances in the course of a single year, but for solid performances during the least a five-year period. Since the teams affiliation with the NFL in 1958, over 600 members and awards have been recorded at the National Headquarters from MHS. We've had a background of success and a future that looks just as bright for the "good ole" MHS Speech team. Keep on talkin'.

Thespians began their activities for the year by attempting to make a Homecoming float. It was brillantly designed by Mrs. Shull and our master float builder, hired especially for this purpose, Lorin Leffel. The Designers used bold-colored napkins to decorate it. When it was completed and placed in line with the other floats we found we had left out one main ingredient — it wasn't wind proof. Our first play was entitled "The Octogenarian" and was presented in the fall. The play was a serious drama with a cast made up of only two speaking parts. These parts were played by Peter White and Tom Klingler. The spring play, "The Curious Savage" was a delightful comedy with a cast of eleven. It starred Ruth Davis as the cunning old woman, Mrs. Savage and ran three nights.

The purpose of the Dental Club is two-fold. First to provide club members to become involved in both academic and practical aspects of dentistry.

After an innitial period of academic learning the club is providing dental services to selected children in the school system. They are from families of low income; and, these families then do good deeds for others to pay for the dentistry received.

S.S.S.

Sunshine Society had a great year! We started off our busy year by going to District Convention. At Christmas we boosted the yuletide spirit by decorating the halls and painting windows. (Remember all of the "fun" we had cleaning up, gals?) In February, for the first time, SSS sponsored a Sweetheart Dance and queen. In March, Sunshine changed a tradition. Instead of giving poinsettas at Christmas we delivered Easter Lilies to shut-ins at Easter. One of the biggest activities of the year was when Sunshine helped to sponsor the spring dance. April 13 we had our annual Ladies Tea, with Sunshine members doing the program. As our last project of the year, Sunshine sponsored a breakfast for graduating members. With the support of our sponsors, Mrs. Cripe, Mrs. Sponsellor, and Mrs. Nordman, we really had a great time this year.

MHS Sweethearts

Kathy Werking Crowned Queen

This year the Sunshine Society sponsored a Sweetheart Dance and Queen coronation. Senior Kathy Werking was crowned 1975 MHS Sweetheart Queen between games at the Plymouth basketball game. The Queen's court consisted of Terri Penrod, Kim England, Jenny Walters, and Susan Reed. The Queen and her court were voted for on the basis of personality, participation at school, and consideration of others.

The MHS Marching Squire Band

In keeping with tradition, our band year was a busy one. Our annual Freshman marching clinic started the ball rolling. The eager beginners suffered the pains of learning the art of marching as they marched for the first time.

The marching summer began as the school year ended, and the next three months saw plenty of action for the Marching Squires.

Top: Teresa Cox, Linda Long and Mario Quintana. Teresa and Mario were this year's Drum Majors. Linda was a featured baton twirler. Above and below the Marching Squires in action. Left: Director Mr. McKee.

stage band

Included were camp experiences for the drum majors and Squirette captains. The summer program also included concert band and a concert in the park. As the school year started, the band began its preparation for some of the most colorful half-time shows imaginable; including a Disney tribute, most of which featured some new and exciting routines by our remarkable Squirettes. Other school-year marching pursuits were the Bluffton and homecoming parades. The Concert Season brought varied activities, which included a winter concert, where drum majors Teresa Cox and Mario Quintana and the outstanding marchers, Robin Crist, Nancy Hoover, Craig McBride and Patti Hoover were honored. An active stage band performed at the Boosters Pizza Night and scored well at the stage band contest. The band was honored by an invitation to tour Europe. The active band also played at the basketball games and the Squirettes added their splendor.

Although you're set off from the rest of
common existence,
You still are a part of the world around you.
Your inner energy, once set apart, must flow
from you to all that is near;
Into whatever you choose: canvas, paper
stage, music, and . . . people.
